Hire Price Guide 2013/2014

PRICES IDENTIFICATION PAYMENT DELIVERY CHARGES HIRER'S RESPONSIBILITY ADVANCE BOOKINGS RETURN OF EQUIPMENT

All Hire Rates quoted are net, exclusive of VAT and are subject to alteration without notice. Adequate proof of identity is required. Strictly cash in advance. In certain cases a credit account may be authorised in which case signed orders are required, and settlement is by monthly account net. If required vehicles are at your service to deliver any of the equipment shown in this list and to collect if after use. Carriage charges are extra to the hire rates. These are clearly set out on the back of the contract. Broadly speaking any breakdown or breakage due to a defect in our equipment is our responsibility, any other loss, breakage, damage, apart from wear and tear is chargeable to the Hirer. Normal maintenance of equipment while on hire (e.g. oil, greasing and keeping clear) is the Hirer's responsibility. In the event of a breakdown under no circumstances may the Hirer repair or attempt to repair the equipment. Bookings may be made in advance. We reserve the right to charge a booking fee should we consider it necessary to do so. Such booking fee may be forfeited if the booking is not taken up or cancelled less than 24 hours before the time for which the equipment was booked. Otherwise booking fees count towards the rental. Equipment must be returned by the time recorded on the contract, unless prior agreement to an extension has been obtained from us. Equipment retained beyond the contract date without prior agreement to an extension having been obtained 12 hours previously will be charged at the one day rate per day.
